Dear Sir or Madam:

You and/or your organization are invited to participate in the annual Kalamazoo County Memorial Day Parade that will be held at 10:00 AM, Monday, May 27, 2019. The parade will follow the traditional route from downtown to Riverside Cemetery.

Like last year, we are again trying to significantly expand parade participation, spectator attendance, and, very importantly, attendance at the post-parade ceremony and Memorial Day address at Riverside Cemetery. The ceremony is an integral part of the program. We encourage you to consider having a float in the parade that reflects one of the important themes of Memorial Day: recognition of those who served our country in the military, the memory of deceased veterans, and respect for America, its values and accomplishments. We encourage participation by marchers, bands, appropriately decorated floats and vehicles, etc.

The parade route ends on Gull Road near the flagpole site at Riverview Cemetery. All parade participants (except large trucks and ambulances) must go up Gull Road and we encourage everyone to attend the post-parade ceremony. There will be parking available for vehicles that were in the parade and others who drive there.

You may copy this invitation and pass it on to other organizations or individuals to encourage their participation. If you have any questions or suggestions for improving the parade contact Charles E. Parker at the above phone number or email address.

PLEASE RETURN THIS REGISTRATION FORM TO CHARLES E. PARKER BY MAY 18, 2019

All parade line up and staging area information will be mail out on May 20, 2019
